

Name _____ Date _____

7 Habits Parent Letter Guidelines

Follow regular formatting for a friendly letter (in your Reader's Notebook). Write a **handwritten** letter to your parents with three paragraphs that cover the following topics:

1) Explanation of the 7 Habits

- What are they?/Who came up with them?
- How will they help you?/Why are you learning them in Social Studies?
- Name the 7 Habits with correct spelling and pronunciation

2) Observations

- Who is someone you and your parent both know who exhibits one of these habits well?
- Explain how you know they have this habit, making any examples or comments you can think of.

3) Extension

- What are some "baby step" habits you've attempted to build so far?
- How well have you done with those?
- Which of these habits seems most important for you to focus on?
- How can your parents help you with that?/What about the habits would you like to discuss with them?

Comments:
